

A CATHEDRAL CHRISTMAS: SING! CHOIRS OF ANGELS

The Cathedral of Saint Joseph Parish Choir, Diocesan Festival Choir, Diocesan Children's Choir, newly formed St. Anthony Men's Schola, Ensemble ExCathedra and the Cathedral Cantors have recorded a Christmas CD! Music includes Gregorian Chant as well as stunning choral music by Willan, Praetorius, Saint-Saëns, Handel, Darke, Titcomb, Victoria, Poulenc, Reger and Mendelssohn. It also includes beloved carol arrangements by Willcocks as well as music for solo organ and flute. The monies raised by the CD sales will directly benefit the restoration of the historic 1869 E. & G. G. Hook & Hastings (I/8) tracker pipe organ located in the Cathedral's Blessed Sacrament Chapel. This cherished instrument has faithfully served the Cathedral parish community and is in much need of long-awaited restoration. We need your help to ensure this instrument will serve the next generation! CD's are \$20 per copy and \$5 for mailing (if needed). For more information about this project, or about the Chapel's Hook & Hastings pipe organ, please contact Diocesan and Cathedral Director of Music Mr. Eric Bermani at EBermani@stjosephcathedralnh.org.
